A new comment has been submitted at socotransmission.com.

COMMENT

Meeting Attended:

I was not able to attend a meeting

Important Issues:

Land Use (Agriculture, Residential, Recreation), Health and Safety, Biological Resources, Proximity to Residences

Property Uses:

Residential

Comment:

Being out of state, it's hard for me to know what, exactly is going on. I don't want to hear later that I have "NO CHOICE" and decisions are made to take the property away at a much lower price than what we expected.

Also, will we be able to keep the mineral rights/natural gas rights on the property?

I-119-001: Land Rights (In Review)

Your email/letter/comment form has been received and your comment noted. The process of acquisition of land rights for the proposed project and mitigation measures will be addressed in the Environmental Impact Statement.

The Environmental Impact Statement is anticipated to be completed in late 2010 and will be available at

<http://www.usda.gov/rus/water/ees/ea.htm>.
